2.6.2: Attainment of POs and COs are evaluated. Explain with evidence in a maximum of 500 words

RESPONSE :

Our Institute is affiliated to Maharshi Dayanand Saraswati University, Ajmer. We offered Under Graduate, Post Graduate and Research programs and courses under the Faculty of Arts and Science. For these programs and courses, the institute followed the curriculum designed by our affiliated university. The Programme outcomes, Programme specific outcomes and course outcomes are evaluated by the institution and the same are communicated to the students in the formal way of the discussion in the classroom and departmental notice board.

After measuring attainment of POs , PSOs and COs, it has been observed that the strength of the students as well as passing percentage of the students is increasing progressively. Besides, students' progression to the higher studies that is from Under Graduate seems to be increasing consistently and rapidly in the last five years. In a similar way, the ratio of students' placement is also increasing. We took utmost care of measuring the level of attainment of POs, PSOs and COs and followed formal as well as informal mechanism for the measurement of attainment of the outcomes. Even we took feedback from all the stakeholders in this respect and try to take necessary steps accordingly.

Subsequently, the College took care of the attainment to measure the POs, PSOs and COs and implemented the mechanism as follows:-

- The institute followed the Academic Calendar of our affiliated university.
- All the subject teachers maintained Academic Diary in every academic year.
- All the subject teachers prepared Semester-Wise evaluation Reports.
- Internal examination committee analyzed evaluation reports of results.
- Institute considered Feedback from the Stakeholders for the attainment of PO, PSO and CO.

- Placement committee took the review of the Students' Progression to Higher Studies and their Placement.

The Program outcomes of Bachelor of Arts are as follows:

PO1: Students are introduced to community engagement and global understanding

PO2: Critical and creative thinking of the students have been developed.

PO3: Students developed their Communication skills. PO4: Ethical values are inculcated among the students.

The Program outcomes of Bachelor of Science are as follows:

PO1: The students understood the fundamentals of science education.

PO2: The students' knowledge in all basic sciences is enriched.

PO3: Interdisciplinary approach amongst students has been developed.

PO4: Sense of scientific responsibilities, social and environment awareness have been inculcated among the students.

PO5: Students built-up a progressive and successful career in academics and industry.

PO6: Students are motivated to contribute in the development of Nation and community

Attainments of CO's are calculated by using university examination results. Attainment levels are finalized at college level and conveyed to IQAC through Internal Examination Committee. The attainment level of each CO is computed by setting weights as follows:

Weight	Benchmark
1	Number of students securing below 35%
2	Number of students securing above 36 to 45 %
3	Number of students securing above 46 to 60 %
4	Number of students securing 61% and above %
